Sub : Numerous claims of eligibility against a single Legacy Data.

Ref : Govt. letter No.SPMU/NRC/Media Report & Responses/158/2015/28 dtd.20/7/2015.

Sir,

With reference to the subject cited above, I have the honour to submit herewith the following step that has been taken against Media Report on harassment in submission of NRC application form caused to people at NSKs for favour of your kind information and necessary action. That,

1. Legacy data (DLDD) can be obtained through website (nrcassam.nic.in) by any one. Besides, that legacy data can be included during form fillup. There is no guideline that a legacy data cannot be used by more than one person. So, the allegation that against a single legacy data numerous claims have been made, can be addressed during verification stage with prescribed guidelines.
2. The allegation that, with the help of easily available certificate Linkage has been established, can also be addressed during verification stage. Beside, G.P. Secy. and Executive Magistrate were instructed to be careful while issuing such certificate, for linkage.
3. The allegation that people of religious minority with similar names have taken advantage, has already addressed in the first point.
4. Strict instructions had been issued to check the Legacy data and linkage included with the form, so that no improper linkage can be established. Therefore, the allegation made is not true.
5. Gaon-burah concept is not found in Dhubri District and certificate of educational institution can be used in form fill up as per standard guideline. So the allegation is baseless.

Yours faithfully,

Addl. Deputy Commissioner,
Dhubri
