### NRC Seva Kendra employee dies on duty

GOLAKGANJ, Oct 28: A National Register of Citizens (NRC) Seva Kendra employee died of cardiac arrest in Dhubri district recently. The victim, identified as 33-year-old Nur Alam, died while working at the Kendra in Howrarpar gaon panchayat office.

The employees alleged that they were being forced to do overwork and those engaged in data entry were instructed to enter 250 data every day. "There is no off-day and we have to work even on national holidays and Sundays. If we fail to fulfil the daily target, a certain amount is deducted from our salary and the company threatens to suspend us," an employee said requesting anonymity. The Dhubri circle officer in-charge of NRC update, AL Choudhury, said, "We have contacted the company supervising the NRC work and told them about Alam's death." — Correspondent
